

1. At the request of the Client, the StartFX shall activate social-trading system and service in the Client's account (the "System").
2. The System is provided by a third party and allows the Client to observe actual transactions conducted by other clients of StartFX and of third parties connected to the System ("Traders") and to execute-by-copy ("Follow") orders, executed by Traders, in the Client's own account.
3. The System displays different criteria regarding Traders, and the Client can choose to follow certain Traders according to its own discretion. Client may also terminate following any Trader at any time. Upon termination, the Client is responsible to independently close any open transaction left open in the Client's account.
4. The Client acknowledges that the System is an execution service only and that StartFX and the System provider makes no representations or warranties regarding the profitability of the use of the System.
5. The Client is fully aware of the risk of loss involved in trading in the foreign exchange markets. StartFX shall not be responsible for any loss in the Account caused by following any Trader or any mechanical, software or communication line failure or system errors, or any other cause beyond StartFX immediate control.
6. Client acknowledges that StartFX shall execute the signals generated by the System as delivered by the Client, and shall have no liability for any losses to Client's Account.
7. Trader's Rating or past performance or any other information published in connection with the Trader, shall not be considered as advice, promise or guarantee of future success. StartFX present to the Client specific Traders that may be interesting to the Client, without it being considered as a recommendation to follow any specific Trader and/or for making use of the System. StartFX is not engaged in any arrangement with any of the Traders within the system.
8. StartFX does not guarantee that all of the Trader's trading orders shall always be correctly copied and/or executed in the Client's account, including orders to open or close a transaction. Therefore, the client should carefully monitor the open transactions in his Account.
9. Trading based solely on copying other Traders is not recommended. The System does not provide, licensed or intended to provide investment advice or portfolio management services.

- 10.** The Client is full responsible to perform ongoing monitoring over his Account and the risk level risks to which the Account is exposed. StartFX does not supervise over the performance of the service and/or Traders, trading methods being taken, trading volume, suspension of trading by the Trader etc., and is not obligated to alert the Client of any risk; The full responsibility for the Transactions in the Client's account is on the Client, and the Client hereby waives, in advance, any claims regarding the results and/or the scope of activity in his Account with respect to following Traders.
- 11.** The information, content and services in the System are offered "as is" as available with all inherent risks. StartFX and its representatives shall not bear any responsibility for the services suitability to the Client's needs or goals. StartFX does not guarantee the quality and accuracy of information, fitness for any purpose, completeness, reliability or integration, and does not guarantee that use of the services will be uninterrupted and/or will be immune to disorders and/or failures and/or malfunctions and/or any damage.
- 12.** These terms and conditions are subject to StartFX account opening documents terms and conditions.
